DETAILED ACTION

Allowable Subject Matter

Claims 1, 2, 5, 6, 9, 10, 11, 12, 13, 14, 16, 19, 20, 21, 22, 23, 24, 25, 27, 28, 29, and 30 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claims 1 and 30, the prior art does not teach a customizable system for generating a requisition for user selectable print on demand items comprising: a requestor database for associating individual users or shared account users with one or more work sites; a working site database for associating user attributes with one or more specific work sites; a validation rule database for associating items of inventory with one or more specific work sites; and inventory database for associating data describing print on demand items of inventory and the respective availability of the items of inventory; wherein the customizable system is configured to allow a first user to access a first web work site including print on demand items tailored to the first user's attributes, and a second user to access a second web work site including print on demand items tailored to the second user's attributes; in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
